Birla Institute of Technology & Science, Pilani

Dubai Campus

Experience world-class education in a city that redefines innovation

BITS Pilani, Dubai Campus is one of the largest engineering institutions in the dynamic metropolis of Dubai. The tallest, greatest, smartest & safest are all just some of the superlatives that have become synonyms of this city. Home to over 200 nationalities and filled with opportunities at every turn, Dubai is a city where the world wants to be.

Established in 2000 at Dubai International Academic City, we are a branch campus of the internationally reputed Birla Institute of Technology & Science, Pilani (BITS Pilani), India. We offer the highest standards of academic distinction through endless innovation in curriculum and extensive industry immersion – preparing our graduates to confront real life challenges with confidence.
