

DIRO'S PARTY 2022 @BPDC

An Evening to Revisit, Rejoice and Remember!

On 20th May, 2022, BITS Pilani Dubai Campus hosted the Diro's Party at The Crowne Plaza, Deira for the graduating Batch of 2022.

BPDC Director, Dr. Prof. Srinivasan unveiled the much-awaited yearbook and thus commenced one of the most memorable celebrations for the graduating class. A video presentation took everyone down the memory lane showcasing an amalgamation of the four years of campus life, solidly backed up by students who then went on stage to share their personal journey at BPDC. Professors soon followed suit and recalled their most memorable moments. One could see smiles, cheers and a few happy tears that set the mood for the rest of the evening.

Trebel, the music club of BPDC, had their senior members battle it out to win the title of "Best Singer" of the graduating batch. Junior members of the club entertained the audience with their performances. Soon, the professors too joined, with Dr. Priti Bajpai singing a beautiful melody, Dr. B Vijay Kumar rendering some soul stirring songs on the flute and Dr. M Rafiuddin belting out popular hits that had the students sing along and rejoice. A fun game with the Director, Dr. Prof. Srinivasan based on the student id numbers saw a graduating senior walk away with a special prize that night! Dr. Trupti Gokhale introduced and welcomed the graduating batch to the Alumni Affairs Division of BPDC.

The evening concluded on the highest note possible. First, the electrifying Dance Club of BITS Pilani Dubai Campus, Groove, dedicated a performance to the senior members of their club and then the graduating students and professors joined Mr Sohail (ranked Asia's number 25) to groove the night away.

Diro's Party 2022 indeed was not a farewell, but it was a thank you! A time to thank each other for it was as a team we have learnt and grown.
